

# TR Series

## Top Load Washers

Speed Queen Perfect Wash™

# Unlocked Convenience

Open lid anytime before first spin cycle

- Updated models will permit adding garments before initial spin
- Length of time before first spin cycle varies by setting selection
- More robust design for lid lock
- Maintains brand reliability and ensures consistent performance quality (test for 25 years)

Important Note: TC5 features “no lid lock” experience for full cycle vs. TR Unlocked Convenience

# Features

|                          |                         |
